

Herewith, we inform you of our conformity to EC regulation 1907/2006 (REACH), article 33.

EnOcean GmbH is in terms of mentioned above regulation "downstream user" as product manufacturer using low quantities and therefore not subject to registration.

EnOcean GmbH delivers exclusively non-chemical products. These contain no substances intended to be released according to REACH article 7 (1) in normal or reasonably predictable conditions of use.

Furthermore, there are currently no chemical substances in our products, as specified in the so-called "candidate list" (Art. 59; date: 07/07/2017), with a content of more than 0.1% (w/w). If any more information according to Art. 33 is required in the future, we will inform you as soon as possible.

EnOcean GmbH confirms at today's level of awareness that all requirements that arise from mentioned above regulation will be complied.

Information about ingredients and hence assessments is based on statements of EnOcean GmbH suppliers.
